

SUMMARY

An Art Director with 3 years of experience and 15 years of graphic design experience including print, digital, social, and web design. Proficient in both developing and executing big ideas with international brands in beauty, education, finance, food & beverage, and more. Experienced in leading a team of creatives. Highly fluent in Adobe Creative Suite including Generative AI. Excited to express my creativity and my passion and to bring my energy and perspective to each new project.
